

Askwith Primary School - Extra Curricula Newsletter

Spring 1 - 2022

Fencing Club

The children have thoroughly enjoyed their fencing classes with Premier Sports.

Gymnastics Club

Premier Sports have been running a popular gymnastics club. The children have enjoyed creating their own routines in groups.

Cross Country

Some of the children have taken part in cross country races on Saturdays as part of the Wharfedale Schools Cross Country Junior League. Thank you to the parent helpers.

Construction Club

The children in Early Years and KS1 enjoyed a second half term of construction club. Each week, they made sculptures and towers using Lego, wooden blocks, foam bricks and recycled materials.

Chinese New Year

Across the school, our children celebrated Chinese New Year. We all enjoyed a special Chinese New Year lunch prepared by Dolce. Class 1 designed and created their own decorations for the role play area and we had assemblies to learn about the stories behind Chinese New Year.

Dance Club

KS1 enjoyed exploring the different genres of dance from ballet to hip-hop!

Music with Mr Morgan

The children in years 1, 2, 3 & 4 have had the wonderful opportunity to experience music lessons with Mr Morgan, including singing with the guitar, exploring rhythms with glockenspiels and playing in unison.

Eco-Committee

The eco-committee has been busy planning the tree planting event to commemorate the Queen's Platinum Jubilee. They will also be running the recycling campaign across the school to ensure that our waste is sorted correctly.

Charity - Martin House

Class 4 organised a bun sale to raise money for our chosen charity, Martin House. The children raised £39.03!

Art Club

The children in KS2 learnt how to create a marbled effect using ink and water. The finished pieces looked fantastic!

Community Committee

The community committee has been busy planning the school Platinum Jubilee celebrations and how to involve the local community. They are also planning how to involve the local community in the Easter Design Technology Challenge. Plans are also being made for future art displays in the Askwith phone box.
