

Askwith Primary School - Extra Curricula Newsletter

Spring 1 - 2024

Fencing Club

Premier Sports ran a fencing club this half term. The children loved using a new range of equipment. We had a tournament to end the half term and it was a lot of fun!

Drama and Performing Arts Club

Mrs Hughes has continued to run the drama club after school. The children have been writing their own poems to perform. We are looking forward to seeing their performances!

Archery Club

Premier Sports ran an archery club this half term. The children loved refining their aim and accuracy when shooting towards the targets.

Phunky Foods - Parent Workshops

Our healthy eating expert, Beth ran three healthy eating workshops after school for parents and their children. They made pizzas, salmon dip, tuna cous cous, bread rolls and a dare-devil dip! Everyone involved had lots of fun!

Puppies!

We were incredibly lucky to have Mrs Davies visiting with some beautiful puppies before they went to their 'forever homes'.

Outdoor Learning

We are putting real emphasis on learning outdoors and the children are having a fantastic time. We now have weather monitors who check the windspeed, rainfall, light levels and sound using our new high-tech equipment!
