

Askwith Primary School - Extra Curricula Newsletter

Spring 2 - 2024

World Book Day

Everyone made a tremendous effort on World Book Day! We had characters from Matilda, The Cat in the Hat and Winnie the Witch! We had a school parade and each class had extra time to enjoy their favourite books.

Multi-Skills Club

Our Premier Sports coach has been running a multi-skills club this half term. The children have been enjoying playing lots of games that incorporate many skills that they have learnt in PE sessions.

Phunky Foods workshop

The Year 5 and 6 children created healthy salmon wraps as part of the 'Phunky Foods' project. The children particularly enjoyed the tasting session!

Young Voices

Some of the Year 5 and 6 children performed at Sheffield Arena as part of Young Voices. There were almost 5,000 children singing and dancing as one choir. All of the children (and staff) thoroughly enjoyed the experience!

Animal visitors

Thank you so much to all of the parents who have brought animals from home to show the children in school. This half term, we have been lucky to meet 'Bracken' the rabbit and two beautiful lambs!

DT challenge - healthy Easter biscuits

Well done to all of the children who made such creative, unique and healthy biscuits. We enjoyed seeing your designs (and tasting them!).

Science club

This term's KS1 and KS2 science clubs were particularly well attended. The children searched for worms, tested aircrafts, saved characters from a frozen block and built towering structures!

Construction Club

Construction club has been incredibly popular with the EYFS and KS1 children. They have been building using Duplo, Lego and K'Nex.

Sports for Champions and Red Nose Day

We had a wonderful day on Friday 15th March! All of the children came to school in sports clothes ready to take part in our Sports for Champions event. We also had an inspirational visitor, Rebekah Green, a freestyle kayaking champion, who coached the children in their sponsored circuits and presented a wonderful assembly. We also had a bake sale for Comic Relief and we raised £63.80.

Handbells Club

The children in KS2 have enjoyed running handbells club. They have been playing songs such as Twinkle Twinkle Little Star. We look forward to seeing them perform in assembly!

Spring Craft Club

The children in KS1 have been enjoying Spring Craft Club. They have made flowers, nests, pasta textured eggs and Easter cards! The children have been incredibly resourceful with the materials they have used. Well done for all of your creativity!

Gardening Club

Gardening club has been really popular this half term. The children have planted beans, lettuce and tomatoes. The children have taken ownership of the school gardens and they are beginning to blossom.

Storytelling Club

Our student teacher, Miss Foster, has been running a storytelling club in the morning to welcome children into school. It has been very popular!

Hockey Club

The children have enjoyed hockey club this half term. They have been refining their control and accuracy when shooting.
