

Askwith School Curriculum Delivery Plan 2020 - 2021

This curriculum delivery plan has been devised with close reference to the most recent DfE guidance for the full opening of schools

(updated 22nd January 2021)

Throughout the coming weeks of uncertainty and possible on-going disruption to learning for some children, the following fundamental principles will apply at Askwith Primary School:

- Strong teaching remains the single most important factor in addressing learning gaps and improving outcomes for our children
- A broad and balanced curriculum, with a focus on English and Maths is an entitlement for all children
- Communication and engagement with parents will be a priority. Curriculum information, meet the teacher events and parent teacher consultations will continue, using technology and one to one conversations as appropriate
- Interventions and 'catch up' will be planned to meet the on-going needs of children throughout the year

TIER ONE All children in school	 Class teachers to focus on settling the children back into school in line with the school's PSHE curriculum for COVID-19 recovery PE curriculum to support children's health and well-being Enhancements/enrichment activities to support wellbeing and living with COVID-19 to continue Reading with individual children One to one reading/phonics assessments Begin checks of children's essential knowledge in English and maths acquired before lockdown Begin checks of children's essential knowledge for science and foundation subjects acquired before lockdown Begin to plug gaps in knowledge in all subjects from before lockdown with particular emphasis on English and maths
	• Begin to plug gaps in knowledge in all subjects from before lockdown

	T
TIER TWO	Children who are self-isolating are entitled to a curriculum which mirrors as closely as possible the learning taking place within the class. Class teachers to plan for remote learning as a part of their daily planning.
Individual or small groups of children who are self- isolating E.g. awaiting test results/ quarantining after a family member or close contact has tested positive	 The remote learning plan will include: Use of resource books covering essential knowledge from the previous year for deliberate practice Emailed instructions and resources linked to current classroom learning If parents are unable to print resources, arrangements should be made to collect the learning packs from school following current isolation guidelines. Children will receive feedback in one of the following ways: Phone call/email at the end of the day On return to school It will not be possible for teachers to provide live lessons for these
	children as they will be teaching the children who are in school
TIER THREE	If it is necessary to close a bubble, then the children will be provided with a two-week unit of work (via email) within 48 hours of the bubble closing. This will link to the pupil's year group national curriculum expectations.
A closed bubble due to a positive case of	Any tasks set will be meaningful, ambitious and sequenced in such a way that enable the children to develop skills and knowledge incrementally. Learning will include: Nursery
Covid- 19	 Keeping in touch Zoom sessions focused on current learning Reception
	 Daily phonics, maths and understanding the world scheduled Zoom sessions KS1 and KS2
	 Daily English and Maths learning with daily scheduled Zoom sessions for direct teaching and feedback Current block (science or non-core) with daily Zoom sessions for direct teaching and feedback
	 Ideas on how to stay active during their time at home For those children who cannot access Zoom/email, arrangements should be made to collect the learning packs from school following current isolation guidelines. There will be an opportunity for these children to discuss their work and receive feedback via phone call or email.
	In preparation for this, all parents have confirmed that they have read and agreed to the school's protocols for Zoom sessions.

(where			
appropriate)			

How will my child access any online remote education you are providing?

Teachers will be teaching children via Zoom (see your child's Zoom code below).

Reception: Miss Dunbar	Meeting id: 246 485 0082				
	Passcode: 2AA×1k				
Year 1: Mrs Mort	Meeting id: 858 192 7017

Year 6: Mrs Nayler	Meeting id: 970 805 4068				
	Passcode: f9wSqt				

If my child does not have digital or online access at home, how will you support them to access remote education?

We recognise that some children may not have suitable online access at home. We take the following approaches to support those children to access remote education:

- Any children who cannot access the Zoom sessions will be identified
- If necessary, school will provide access to school-owned devices to be used at home. All school-owned equipment and technology used for remote learning has suitable anti-virus software installed
- Learning packs/workbooks will be available to be collected from school following current isolation guidelines
- There will be an opportunity for these children to discuss their work and receive feedback via phone call or email

How will my child be taught remotely?

We use a combination of the following approaches to teach children remotely in all curriculum areas:

- Daily live online Zoom lessons
- Printed paper learning packs produced by teachers and workbooks to be used daily these are marked weekly by teachers
- School book band books changed weekly
- Home reading books and school reading books

 Video clips will be used if relevan

Engagement and feedback

What are your expectations for my child's engagement and the support that we as parents and carers should provide at home?

Pupil engagement:

- Adhere to the Acceptable use policy for Zoom
- Adhere to the timetable
- Inform school as soon as possible if unable to access Zoom lesson so that other arrangements can be made
- A register is taken at the beginning of every Zoom lesson

Parental support:

• Acceptable use policy for Zoom agreed and signed by parents/carers

How will you check whether my child is engaging with their work and how will I be informed if there are concerns?

- Daily Zoom lesson registers
- Daily teacher/pupil interaction through taught live sessions
- Weekly cohort parent forum
- Learning packs/workbooks returned weekly for written marking and feedback
- Pupil engagement checklists monitored in workbooks
- Telephone call to parents if a child is not present on the online Zoom lesson
- Individual parents contacted as soon as possible via telephone where engagement is a concern

How will you assess my child's work and progress?

Feedback can take many forms and may not always mean extensive written comments for individual children. For example, whole-class feedback or quizzes marked during live Zoom lessons may be used.

Our approach to feedback on pupil work is as follows:

- Usual feedback and marking policy applies to work produced by children
- Daily verbal feedback
- Weekly written feedback
- Weekly pupil checklist monitored

Additional support for children with particular needs
How will you work with me to help my child who needs additional support from adults at home to access remote learning?
We recognise that some children, for example some children with special educational needs and disabilities (SEND), may not be able to access remote education without support from adults at home. We acknowledge the difficulties that this may place on families, and we will work with parents and carers to support those children in the following ways: • Daily 1:1 individual Zoom lessons • Daily conversations with parents via Zoom/telephone • Regular emails
