5<sup>th</sup> January 2021

Dear Parents,

As stated yesterday, please find below information regarding remote learning plans until school is allowed to reopen to all pupils.

In order to minimise further learning loss, it is **crucial** that **all** pupils engage fully with the learning opportunities provided. Unfortunately, during the previous lockdown, some children did not do as much work as they should have and as a result, on return, were assessed to be well behind their peers. In order to support you with your child's learning, each class teacher will be telephoning you weekly to discuss your child's engagement and any issues/questions that may have arisen.

**Remote Learning Plan:**

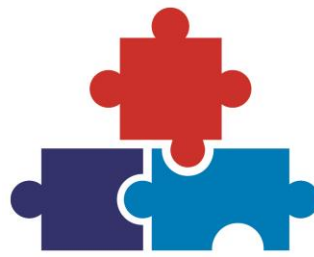

- All children will receive two exercise books to complete work in. One will be for maths, one will be for English and other curriculum areas. These books should be treated in the same way as they are in school, a checklist for presentation rules will be in each book to remind children
- In order for us to provide appropriate feedback to the children, it is very important that the books be returned each Thursday after 4p.m. and before 8:30a.m. on Friday morning. They should be placed in the appropriate year box in the shed. The books will then be available for pick up after 5p.m. on Friday until 8:30a.m. on Monday. The books will contain learning materials for the following week. **If you have any difficulty picking up/returning books, please let us know as soon as possible and other arrangements will be made**
- Teachers will be teaching children via Zoom (see your child's Zoom code below) as per the following timetable:

EYFS: Miss Dunbar

	9-9:30	9:30-10:30	11-12	1-2	2-3	3-3:30

**If your child does not have access to the internet, please inform us as soon as possible for other arrangements to be made.**

- Children will need a sharp pencil/ruler/rubber/pencil sharpener/fountain pen with blue ink (year 6 only). Please let us know as soon as possible if your child does not have these resources as school can provide them where necessary. Older children may need more resources (e.g. a protractor) as we move through the curriculum, we will inform you in advance
