To all Parents / Carers,

Thank you!

We would like to take this opportunity to thank all parents of children at Askwith Primary School for their ongoing support during the Coronavirus pandemic.

Since those initial reports emerged from China in January 2020, the world has changed beyond compare. Parents, children and staff have all had to learn to live and learn in new and inventive ways.

Thank you for supporting your children with their learning during the lockdowns, both in workbooks and online, and for collecting and returning books to the shed on time! As a result of your diligence, the children at Askwith are well placed to continue their education with minimal learning loss.

Thank you for supporting the school by complying with new drop off and pick up times, limited (and sometimes no) wrap around care, limited (and sometimes no) school lunch provision.

As a community, we have had to learn new ways of communication. Thank you for supporting the Zoom lessons, Zoom Curriculum Evenings and Zoom Parents' Evenings. The patchy Askwith wi-fi is certainly a challenge at times!

Hopefully, the end of restrictions is just around the corner, but be assured that Mrs Nayler and her team will remain vigilant, to help keep everyone safe, until that time.

Thanks and kind regards,

Helen
