

PSHE: Living in the wider world

Health and wellbeing:

How to keep mentally healthy.

Belonging to a community:

1. group and class rules are important
2. the needs of all living things should be respected
3. we should **all** look after the environment

Literacy and Digital Resilience

1. the internet is used to access information
2. people access information differently
3. online relationships should feel safe
4. there is always someone to speak to if you feel uncomfortable online

Money and Work

1. there are different forms of money
2. how people get money
3. how money can be kept or spent
4. the difference between needs and wants
