

Understanding the World: The Natural World (Science)

Physical processes: Seasons (Spring)

- **the four seasons**
 - spring
 - summer
 - autumn
 - winter
- **seasons change through the year**
 - temperature
 - weather patterns
 - trees
 - what we wear
 - what we choose to do
- **the characteristics of spring**
 - warmer
 - rain
 - clouds
 - green leaves grow on trees
 - shoots begin to appear
 - animals: lambs, chicks

Physical processes: States of matter (melting)

- **the difference between solids and liquids**
 - a solid keeps its shape
 - a liquid matches the shape of the container it is poured into
- **melting happens when**
 - a solid becomes a liquid
 - a solid is heated

Natural World: Plants

- **vocabulary to describe:**
 - what they can see, hear and feel outside
- **know plant types:**
 - tree
 - flower
 - grass
- **identify, draw and label flower parts:**
 - flower
 - stem
 - petals
 - leaves
 - roots

- **what plants need to survive:**

- water
- sunlight

Understanding the World: People, Culture and Communities (Geography)

My Local Area

- **the features of the immediate environment by**
 - observing and discussing their observations
 - listening to stories
 - looking at maps
- **that information can be drawn from a map**
 - road and village names
 - where buildings, roads, trees, fields and walls are located
- **how to draw a simple map**
 - roads
 - trees and fields
 - rivers
 - buildings e.g. houses, farms and schools

Understanding the World: People, Culture and Communities (RE)

Expressing: What makes places special?

- **the special places in their lives**
 - home
 - school
 - where they are part of a community
 - where they feel happy and safe
 - churches
 - mosques
- special places in stories
- similarities and differences between different special places

Easter

- **Easter**
 - is a special time for Christians
 - is a celebration of the death and reincarnation of Jesus
- **Easter story**
 - the sequence of the main events
 - the people who are in the Easter story

Understanding the World: History

Past and present

- the past has already happened
- the present is what is happening now
- past and present
 - commenting on images from the past
 - homes
 - schools
 - transport
 - artefacts
 - similarities and differences between the past and present
 - characters from stories
- chronology of events
 - being born
 - when parents were born
 - when grandparents were born
 - starting school
 - now
