Dear Parent / Carer,

### Review of prices for 2023 – 2024

#### Price for school lunches

We are nearing the end of a fixed term contract with our caterer, Dolce, during which meal prices had been fixed. You will be aware of how much the cost of food and fuel has increased in the past 18 months, so I'm sure it will be no great surprise that our caterer has incurred increased costs and has to now increase the school lunch prices from September. The price of a KS2 (years 3,4,5 and 6) school lunch from September 2023 will be £2.90. The price of a supervised nursery lunch will be £4.40. We believe this still represents good value for money. Children in receipt of Pupil Premium will continue to receive Free School Meals. Children in years Reception, years 1 and 2 will also continue to receive Universal Infant Free School Meals.

#### Prices for other items

Despite the increase of food costs and staff wages, we are not going to make any changes to the price for breakfast club, afterschool clubs or nursery sessions. These prices offer excellent value for money and are lower than many other local schools and nurseries.
