

Homework grid - Summer term 2018 - Year 3 and 4

Ongoing learning: this homework can be completed at any time throughout the term.			
Geography Go outside. Record the human and physical features that you notice around you.	English Write your own poem linked to a topic of your choice.	Grammar Choose an area of grammar that we have been working on and create a help sheet for other children.	RE Research a leader. What made them a good leader? What qualities did the show?
Art and Design We are learning to create collages and to edit images using digital programmes. Use one of these approaches to create your own piece of artwork.	Philosophy In Philosophy we will be thinking about technology. Show what you know about 'artificial intelligence'.	Music Choose a song. Practise and perform it or choreograph your own performance or routine to it.	PE Spend some time practising the skills you have learnt in PE. Record yourself talking through the key skills you have learnt.
Own choice	Own choice	Own choice	Own choice

New topics: this homework can only be completed after input at school - a dot will be added to let you know when it can be completed.			
Computing Create your own Wiki about a topic that interests you.	Science Carry out an investigation to explore how shadows are created and how their size can be changed.	French Present your understanding of the names of classroom objects in a creative way.	English Choose a story or a memory. Rewrite your own version of the story or turn your memory into a short story.
Geography Compare the features of Yorkshire to a place that you have visited.	History Research the railway revolution and present your learning in your own way.	Science Produce an information leaflet about light.	

Homework should continue to be returned on a Wednesday and new homework will be issued each Friday.
