

**PSHE: Living in the Wider World**

***Connected Knowledge***

- We all belong to different groups and communities:
  - groups
  - roles within groups
  - what is special about being part of a group
- There are different ways to be a good member of a group:
  - working co-operatively
  - shared responsibilities
  - making sure everyone feels included
  - consequences of not being a good member of a group
- We are all the same:
  - obvious things like age, appearance etc
  - likes/dislikes, hopes/fears etc
- We are all unique (special):
  - what being unique means
  - things that make us special
- The internet is used to access information
- People access information differently
- Online relationships should feel safe
- There is always someone to speak to if you feel uncomfortable online
- Different jobs and the work people do
- Different strengths and interests are needed to do different jobs
  - breaking stereotypes -there is no such thing as girl jobs/boy jobs
- People whose job it is to help us in the community
  - identify how to attract people's attention in different situations

***New Knowledge***

**Belonging to a Community**

**1. There are different skills and attributes that help to support a community:**

- the difference this can make

**2. Who helps your community**
