In Year 1 homework will follow a 2 weekly cycle. The children will alternate between choosing a homework task from the grid above, then a maths homework task. They will complete both in their Homework Book. When homework has been completed the box can be coloured in to show it has been completed.

Homework can be written (**at least one sentence including capital letters, full stops, gaps between words and spelling using phonics as much as possible**), pictures can be drawn or photographs can be stuck in the Homework Books.

Homework should be returned on a Wednesday and new homework will be issued on a Friday.
