

## Homework grid - Spring term 2018 - Year 5

<b>Ongoing learning: this homework can be completed at any time throughout the term.</b>			
<b>Geography:</b> Create a report about something that has happened in the news.	<b>English:</b> Learn a poem to recite to the rest of the class. Justify why you have chosen it.	<b>Grammar:</b> Choose an area of grammar that we have been working on and create a help sheet for other children.	<b>Art/Science:</b> Create a pictorial representation of your life so far.
<b>PSHE:</b> Prepare a speech about a place which is significant to you to share with the rest of the class.	<b>Art:</b> Use newspaper, magazines and other recycled materials to create a collage of a subject of your choice.	<b>P.E./PSHE:</b> Explain why it is important to participate fully in P.E. lessons and why we should never give up.	
<b>Own choice</b>	<b>Own choice</b>	<b>Own choice</b>	<b>Own choice</b>

<b>New topics: this homework can only be completed after input at school - a dot will be added to let you know when it can be completed.</b>			
<b>Music:</b> Compose your own piece of music to play on the instrument that you are using in Mr Morgan's music lessons.	<b>Science:</b> What do you know about evolution and inheritance? Demonstrate your understanding in a creative way.	<b>Art:</b> Create a piece of art work to demonstrate your understanding of animals or plants in the rainforest.	<b>English:</b> Look at the opening paragraph of a range of fiction books. How has the author started their story?
<b>Geography:</b> Create a fact file about the rainforest.	<b>R.E.:</b> Demonstrate your understanding of Hinduism in an interesting way.	<b>Computing:</b> Create a poster to highlight the importance of online safety.	<b>Geography:</b> Research and present information about a country in South America.
<b>Science:</b> Explain how we see things <b>OR</b> explain how light travels using pictures and text.	<b>English:</b> Children should not have homework. Create a persuasive piece of writing that either agrees or disagrees.	<b>Science:</b> Produce an information leaflet about Charles Darwin.	

Homework should continue to be returned on a Wednesday and new homework will be issued each Friday.
