Weekly Newsletter No. 2

15th September 2016

Dear Parent/Carer,

Please note the Village Hall Committee has agreed to staff parking their cars at the hall from tomorrow. As previously, staff will park their cars at the far end of the car park. The area outside the Blue Barn is not for parking, but a drop off zone for parents, of children in years 3-6, dropping off children to walk down the pavement to school on their own. I would like to thank the village hall committee for their support of the school. Please would parents park cars with consideration to others and supervise children around cars, promoting exemplary behaviour to children.

Thank you to all parents who joined last night's curriculum evening on our new maths homework. All children in years 1-6 will be given homework from the new books this Friday. Please note a summary sheet from last night's curriculum evening will be provided inside the book.

Thank you to everyone who supported the summer challenge.

If children in years N, R, 1 or 2 are to be collected by someone who doesn't usually pick up or isn't known to the staff, please notify us in advance by ringing the school office, you will be asked to give a description of the person collecting and be given a password.

Please read the attached letter. It provides important information about supporting the treatment of a child's illness.

Yours faithfully,

Mr D Parker
