Weekly Newsletter No. 24

16th March 2017

Dear Parent/Carer,

This year's **Design Technology Challenge** for children in years R to 6 is to design and make your own special shoe! The entries will be judged on design, decoration and originality. The children will receive help in school with their design and have sessions for planning and development of their ideas. Entries should be brought into school on Wednesday 5th April. Parents are invited to come and view the entries in the Cedar Hall from 2.30pm on that afternoon.

Thank you to those who have returned **Parents Activity Week** forms, we look forward to receiving many more to help give the children an interesting and enriching week.

Red Nose Day is on Friday 24th March, we will be holding a bun sale on the day and any home or bought baked items will be gratefully received, proceeds will be split between Comic Relief and the children's charity Candlelighters.

Mrs Farrier is currently running a project around **healthy eating** in class 1. As part of this the children will be able to choose from a wide variety of fruits / vegetables at snack time over the next few weeks. They may talk to you about some of the things they have tasted. If you have any further questions or comments please speak to Mrs Farrier. To celebrate this project all children in nursery and reception are invited to a Teddy Bears' picnic in the afternoon of Friday 24th March, invites are being sent home today.

Yours faithfully, Mr D Parker
