Dear Parent/Carer,

Well done to our **year 6 pupils** who completed their National SATS this week. I have been particularly impressed by their calm approach that kept the tests in perspective.

Please would parents remember the arrangements for collecting children at the end of school.

- 1) Parents who **only** have children in nursery, reception and year 1 may pick up all of their children at 3.15pm and take their children directly home to reduce parking congestion and improve safety for all children and parents.
- 2) If your family includes children in year 2 and above then all of your children (including nursery, reception and year 1) should not be collected until 3.30pm. Please would parents ensure children in the playground are supervised closely at the end of the day as the school gates are open for access.

**Worksharing** for years 1 to 6 will take place next week on Wednesday 17th May (9.30-11.00am) and Thursday 18th May (2.00-3.00pm).

We will begin to organise **Parents Activity Week** during the next few weeks. If you would like to provide an activity please let us know by Friday 19th May. We would particularly like more activities for our youngest children.

We have water coolers in each classroom and provide disposable plastic cups. As the weather is getting warmer, children may bring in their own named water bottle to fill from the water cooler, this will help reduce the number of plastic cups being used. Thank you for your co-operation.

Yours faithfully, Mr D Parker
