We are a nut free school!

No nuts in any snacks or packed lunches

Dear Parent/Carer,

Thankyou to all the parents who attended our **Harvest Assemblies**. The children thoroughly enjoyed their performances and sang beautifully. Well done everyone! Thankyou to all those who generously donated to the collection for this year's school charity 'Yorkshire Cancer Research,' a wonderful £208.95 was raised.

Please see attached information about **nasal flu catch up clinics** for those children who did not have a vaccination in school. Appointments must be booked.

Change to drama club—Please note that drama club will not take place on Tuesday (24th Oct), it will resume after half term.

Work to the roof over the Early Years classroom and offices will begin next week. The first stage will be to erect the scaffolding, this may mean that one of the gates will be temporarily out of use. Once the scaffold is complete, safe walkways will be available so both gates can be used. The work to remove the old roof will hopefully be completed during half term, fingers crossed for suitable weather! School will remain open to all children throughout the roof works.

Information about how to order a **Tempest photograph** of your child has been sent home. The deadline to place your order online, for free delivery back to school, is today!

A reminder that **Parents' Evenings** for all children in years Nursery to 6 will take place via video call appointment on Tuesday 24th and Wednesday 25th October, 2.30pm—6.00pm. See attached information about how to book an appointment using our new system 'School Cloud.'
