## Weekly Newsletter No. 33

10th June 2021

\*\*\*We are a nut free school!\*\*\*

No nuts in any snacks or packed lunches please

Dear Parent/Carer,

**Coronavirus update**—We currently have no cases and staff testing is continuing, all results so far have returned as negative.

We await the expected government announcement on the 14th June as to whether the 'Roadmap' will progress to the next stage on the 21st June. Once the government has made its announcement, and the detailed guidance has been received from the DfE, we will give further details about how our **end of term events** such as Sports Day, Art exhibitions, Performances and Leavers' Assemblies, might safely proceed.

We are delighted to welcome Miss Johnson back into Early Years following her maternity leave. She will be working part time alongside the **Early Years team**.

In addition to the **tennis** being provided by ILTSC, on Tuesday, the children in Reception, year 1 and year 2 started tennis lessons with our regular tennis coach Luke, great fun was had by all!

Today, the children in Reception have been on their **class trip to Bolton Abbey**. The children took part in an art class using outdoor materials, explored the Abbey, went on an adventure trail and challenged themselves physically. The children were very well behaved and a great day was had by all! Well done children!

Photographs of the trip will shortly be on class 1's page of the school website.

Forms to order a **Tempest class photograph** are being sent home today, please return any order forms and payment back to school by Friday 18th June or place your order on line. (The order forms for the photograph for years 5 & 6 will be sent home early next week.)

On Tuesday 22nd June we will be making a **Phonics presentation** to parents to show how phonics is taught and what you can do at home to support your child. This event is particularly important for parents of children in Reception and year 1, but is open to all parents, including any grandparents or other family members who may help the children with their reading. The presentation will be at 7pm via zoom using the meeting id 725 582 1141 password jrk1Z5.

With the **sunny weather** finally here, a reminder that children in years Nursery, Reception, 1 and 2, should have sun cream applied before they come to school and bring a named bottle of sun cream into school, the children will be helped to top up their sun cream at break times. Children in years 3, 4, 5 & 6 can also bring in sun cream (to be kept in their bag) to top up themselves during break times. **ALL children should bring a water bottle to school every day. Sun hats are also recommended for all children. If children wish to wear sandals, they should be of the type that buckle or fasten, no flip flops or slip-ons please.**

Yours faithfully,

Mrs E Nayler, Headteacher
