Weekly Newsletter No. 35

24th June 2021

We are a nut free school!

No nuts in any snacks or packed lunches please

Dear Parent/Carer,

Coronavirus update—We currently have no cases and staff testing is continuing, all results so far have returned as negative. Please be aware that cases are increasing in local high schools, so please continue to take all recommended precautions.

On Tuesday, the children in years 3 and 4 enjoyed their class trip to **Chevin Forest Park**. They participated in Forest School activities linked to the topic, the Stone Age. They had a great time building shelters, 'hunting' for animals, following tracks and cooking on a campfire.

The children in years 5 and 6 have this week taken part in the first ever online Healthy Schools' public voice and celebration events run by **Healthy Schools North Yorkshire**. These workshops focused on emotional health and wellbeing and how to live active lives.

On Wednesday, the children had their **sports days**, albeit in their bubbles and without parents. The results will be added to other sport house competitions and the winning house will be announced at the end of term.

It was great to see parents on the **Phonics zoom presentation** on Tuesday evening, we hope you found this session useful. For those who were unable to attend, please see attached a copy of the slides from the presentation.

The PTA is planning another **second hand uniform sale** next Tuesday in the playground, 3-4pm. All items £1 (buy 2 items get the third item free). If you need other items of uniform for September, please see attached uniform order form from Sue Knowles. Please communicate directly with Sue to place orders.

Thank you to all those who have made the voluntary contributions towards the cost of the class trips, it is much appreciated. Please keep up to date with other payments on **Parent Pay**. A reminder that payment for school lunches should be made in advance. Weekly reminder texts are now being sent out to those families who are forgetting to make regular payments.

Unfortunately, it is necessary to remind some parents about the use of the **village hall car park**. Whilst the staggered start and finish times are easing congestion, the car park is still a busy place. Please park with consideration for other users and do not block empty spaces. Please pass this message on to grandparents or others who may collect your child. Thankyou for your cooperation.

Yours faithfully,

Mrs E Nayler, Headteacher
