Spring Term - 2025

Year 5 and 6 Residential Trip - Boggle Hole, Whitby

The children in Class 4 had a wonderful residential trip to Boggle Hole in Whitby. They hunted for fossils at the cove, walked along the beach to Robin Hood's Bay and enjoyed a fire pit in the woods. A highlight was the pirate party where everybody had a lot of fun!

World Book Day

We all thoroughly enjoyed World Book Day this year! There were some fantastic costumes including Willy Wonka, Billionaire Boy and Little Bo Peep. The children took part in a 'book swap' and they had a wonderful time opening their new books.

Drama Club

Mrs Hughes has continued to run the drama club after school. They are preparing for the competition at The Festival of Performing Arts in Wharfedale during the summer term.

Cross Country

Well done to all of the children who have taken part in cross country races this term!

Table Tennis England visitors

Years 3, 4, 5 and 6 were lucky to attend a special workshop led by two Table Tennis England professionals! It was lovely to have some 'sports leaders' from the local high school who came to help with the session. The children's impeccable behaviour was commented on by our visitors.

Come and Play

Thank you to all of the parents who joined their children at the 'Come and Play' session in EYFS.

The children thoroughly enjoyed sharing their classroom with their grown-ups.

Red Nose Day

We had a very successful bake sale to raise money for Comic Relief. The children (and staff!) enjoyed a tasty treat or two!

Multi-sports Club

Our Premier Sports coach ran a multi-sports club where the children built their teamwork skills and resilience. They all had a lot of fun!

DT Challenge - Road Signs

The children created some wonderful designs for the road signs in the village. Local residents came into school and chose the winning designs that will be included on new speed signs for Askwith village.

Dance Competition

A group of children took part in a dance competition. They all danced to 'Firework' by Katy Perry. Their dances were extremely creative and well-rehearsed. We will find out the results after Easter!

Coding Club

The children really enjoyed coding club. They coded Micro:Bits to create pedometers and write their names with LED lights

Gardening Club

Gardening club has been really popular this term. The children have planted peas, broad beans and lettuce. They are looking forward to planting some sunflowers in the summer term.
